

AUTHORISATION FOR CONSIGNMENT LOCATION ID BARCODE

This authorisation gives Post Haste Group the authority to place a Location ID Tag within my premises so that our Courier Contractor can scan the item(s) upon delivery to prove they were left on my premises completing the delivery. (Provided that the tag is accessible to the courier)

Post Haste Group is part of the Freightways group of Companies and as such Post Haste Group courier contractors may from time to time deliver items on behalf of other Freightways Companies. These companies could be Post Haste Couriers, New Zealand Couriers, Castle Parcels, Now Couriers and DX Mail. It is also possible that those companies may at times deliver on behalf of Post Haste Group. Any authority given regarding delivery will apply to all companies within the Freightways group.

I agree to allow Post Haste Group to place a Location Bar Code on my premises.
